

PIONEER ON THE LAKE

# Music WEEK

## JULY 28-AUGUST 4, 2024

Pioneer on the Lake will once again resonate with harmony this summer as we offer Music Week 2024! This traditional week is attended by musicians of all ages and skill levels – plus some who just come to listen. Dr. Ron Blackley, Professor of Music at Ashland University, returns this year to direct the Music Week choir with his characteristic energy and humor.

Some more great news! By popular request, Music Week 2024 has been extended! The dates are now July 28 to August 4, 2024. And there will be a special music week closing concert scheduled for Saturday, August 3rd. All are welcome!

This week fills up quickly, so early registration is highly recommended.

Call the office at 716-383-6157 to register!
