

PIONEER

On the Lake

Who We Are:

Pioneer on the Lake is a camp and retreat center dedicated to providing a place for Christian community and renewal for both families and groups. The purpose of Pioneer is to serve and impact people for God's Kingdom as they experience God's presence and grow in their faith and fellowship with each other.

Programs Offered:

Pioneer offers many different family camps that serve multi-generational families all throughout the summer. Families can join us for fun-filled and spiritually enriching weeks and enjoy meaningful worship, relevant teaching, times of devotion and awesome Christian fellowship with friends new and old!

Pioneer also hosts a variety of church and community-based retreats throughout the spring, summer, and fall, serving both youth, adults, and people with special needs.

Pioneer is excited to host several community outreach events such as the weekly Friday night Lakeside Car Cruise-In and an annual summer Christian music festival, Pioneer Fest!

How Can You Help Us?

- First and foremost, please pray for the ministry at Pioneer!
- Bring your church youth, teens, couples, mens/women's ministry groups to Pioneer and plan your own special retreat! Retreat programming encourages fellowship and spiritual growth and impacts the lives of many in congregations and in the community.
- Bring a volunteer service group! There are many opportunities for individuals and church groups to give the gift of service through their time and talents that will help enhance the camp property for the safety of others and for all to enjoy.
- Give an in-kind service or gift! Gifts of equipment, supplies and time from individuals with specific skills are welcomed and greatly appreciated.
- Give a monetary gift! Consider making a monetary donation that will help provide the needed resources so that the ministry can continue at Pioneer on the Lake!

Friends of Pioneer, Inc (EIN 85-2680064) is an approved recognized service organization of the LCMS and the 501c3 organization that manages Pioneer on the Lake operations and fundraising.
